BURTON PRIDE C.I.C.

General Lottery Terms & Conditions

Website-wide terms applying to Burton Pride lotteries

Version 1.1
Last updated: September 2026

How these terms work: These are the general terms for the Burton Pride Lottery System. Every individual lottery should also have its own Individual Lottery Terms covering that lottery's specific ticket price, dates, prizes, draw method, eligibility rules and any special conditions.

IMPORTANT: ALL BURTON PRIDE LOTTERIES ARE STRICTLY 18+ ONLY. No person under 18 may enter, purchase, receive or hold a ticket, and no one may purchase a ticket on behalf of a person under 18.

Important legal note: This document is intended as a detailed operational and website terms draft. Gambling law, licence conditions and local-authority requirements can change. Burton Pride C.I.C. should confirm the final wording and the regulatory basis for each lottery before paid sales go live.

1. About These Terms

These Terms & Conditions apply generally to lotteries, raffles and other permitted lottery activities promoted by Burton Pride C.I.C.

Each lottery operated by Burton Pride C.I.C. may also have its own Individual Lottery Terms & Conditions. Those individual terms will contain information specific to that lottery, including its ticket price, opening and closing dates, draw date, prizes, eligibility requirements and any special conditions.

You must read both these General Lottery Terms & Conditions and the Individual Lottery Terms that apply to the lottery you wish to enter.

Where there is a difference between these general terms and the specific terms for an individual lottery, the Individual Lottery Terms will apply, provided they comply with applicable law, Burton Pride C.I.C.'s regulatory obligations and the fixed 18+ minimum age.

By purchasing or otherwise obtaining a valid ticket for a Burton Pride lottery, you agree to these General Lottery Terms & Conditions and the Individual Lottery Terms applying to that lottery.

2. What These Terms Cover

These terms explain the general rules Burton Pride C.I.C. follows when organising and operating lotteries. They cover:

- who operates Burton Pride lotteries;
- who may enter;
- how tickets are sold;
- how payments are handled;
- how ticket numbers are issued;
- how draws are conducted;
- how winners are selected and contacted;
- how prizes are managed;
- how refunds and cancellations may be handled;
- how personal information is used;
- how Burton Pride protects the fairness and security of its lotteries; and
- how the general terms work alongside the terms for each individual lottery.

3. The Promoter

The promoter of Burton Pride lotteries is:

Burton Pride C.I.C.

Burton Pride C.I.C. is a grassroots, community-led Community Interest Company created to support the LGBTQIA+ community and allies in Burton upon Trent and the surrounding area.

Where a lottery is operated under Burton Pride C.I.C.'s small society lottery registration, the relevant registration information will be displayed on the individual lottery page or within its Individual Lottery Terms.
Lottery registration: Burton Pride lottery number: **SL0507**. This lottery number was issued by East Staffordshire Borough Council.

Where another permission, licence, exemption or lottery category applies, this will also be identified where required.

4. Individual Lottery Terms

Every Burton Pride lottery may have its own set of Individual Lottery Terms. These may include:

- the lottery name and unique reference;
- ticket price;
- maximum number of tickets;
- opening date and time;
- closing date and time;
- draw date;
- draw method;
- prizes and number of winners;
- eligibility requirements;
- confirmation that the lottery is strictly 18+;
- geographic restrictions;
- methods of purchasing tickets;
- maximum tickets per person or per transaction;
- prize collection arrangements;
- specific refund arrangements;
- specific fundraising purpose; and
- any other conditions relevant to that particular lottery.

Individual Lottery Terms will be made available before a person completes their entry. Purchasing a ticket means that the entrant also agrees to those Individual Lottery Terms.

5. Community Benefit

Burton Pride C.I.C. operates fundraising lotteries for community benefit and not for private personal gain.

Money generated through lotteries will be used to support the purposes and activities of Burton Pride C.I.C., subject to the rules applying to the particular type of lottery.

This may include supporting:

- Burton Pride events;
- community activities;
- LGBTQIA+ inclusion;
- safer and inclusive spaces;
- accessibility;
- community outreach;
- visibility;
- educational activities;
- community projects;
- equipment and resources;
- operational costs directly supporting Burton Pride's work; and
- other activities that further Burton Pride C.I.C.'s community purpose.

Burton Pride C.I.C. aims to operate its lotteries fairly, responsibly and transparently.

6. Regulatory Requirements

Burton Pride C.I.C. will operate lotteries only where it considers the appropriate registration, permission, licence or legal exemption to be in place.

Different types of lottery may be subject to different legal requirements. Because of this, the regulatory information relating to a particular lottery may be provided on that lottery's individual page and within its Individual Lottery Terms.

Burton Pride C.I.C. reserves the right to refuse to launch, pause, amend or cancel a lottery where necessary to comply with legal, licensing, regulatory, security or operational requirements.

7. Eligibility

Eligibility requirements other than age may vary between lotteries. Every Burton Pride lottery is strictly 18+.

Other geographic or eligibility restrictions will be clearly stated before entry. Entrants must meet all applicable requirements.

You must not:

- enter or hold a lottery ticket if you are under 18;
- purchase or obtain a ticket for anyone under 18 or otherwise ineligible;
- provide false information about your age or identity;
- provide false or deliberately misleading contact information;
- attempt to enter from a location excluded by the Individual Lottery Terms; or
- otherwise attempt to bypass an eligibility restriction.

Burton Pride C.I.C. may invalidate an entry where there are reasonable grounds to believe that the entrant was not eligible or that the entry would otherwise be unlawful.

8. Age Requirements

All Burton Pride C.I.C. lotteries have a minimum age of 18. No individual lottery may set a lower age.

Individual Lottery Terms may set a higher minimum age where required, but never a lower one.

Anyone purchasing, obtaining or receiving a ticket confirms they are 18 or over and that the ticket is not for anyone under 18.

Burton Pride C.I.C. may request reasonable evidence of age before confirming an entry, confirming a winner or releasing a prize.

9. Identity and Eligibility Checks

Burton Pride C.I.C. may request reasonable evidence to confirm:

- age;
- identity;
- name;
- contact details;
- residency;
- payment information;
- eligibility; or
- ownership of a winning ticket.

This would normally only be requested where necessary to protect the security, legality or fairness of the lottery.

If suitable evidence cannot be provided when reasonably requested, Burton Pride C.I.C. may be unable to confirm an entry or release a prize.

Any identity information collected will be handled in accordance with applicable UK data protection law.

10. Buying Lottery Tickets

Tickets may be available through one or more approved sales methods, including:

- the Burton Pride website;
- authorised Burton Pride events;
- authorised Burton Pride representatives;
- approved physical locations; or
- another permitted method identified in the Individual Lottery Terms.

Not every sales method will necessarily be available for every lottery. The individual lottery page will explain how tickets for that particular lottery can be purchased.

Tickets must not be purchased through an unauthorised person or unofficial website claiming to represent Burton Pride C.I.C.

11. Ticket Prices

The ticket price for each lottery will be clearly displayed before entry.

Where legislation requires every ticket in a particular lottery to have the same price, Burton Pride C.I.C. will operate that lottery accordingly.

Purchasing multiple tickets may therefore simply multiply the standard individual ticket price rather than provide a discounted ticket price.

Any quantity options displayed on the website do not change the legal price of each individual ticket unless permitted for that particular activity.

12. Payment

Payment must be completed successfully before an entry becomes valid where payment is required.

If payment:

- fails;
- is declined;
- is cancelled;
- is reversed;
- cannot be verified; or
- is otherwise not successfully received,

Burton Pride C.I.C. may treat the entry as incomplete and the associated tickets may not be included in the draw.

The website displaying a payment success page by itself does not necessarily constitute final confirmation of an entry. Burton Pride C.I.C. may wait for confirmation from its payment provider before issuing valid lottery tickets.

13. Online Payments

Where online payments are offered, they may be processed by an authorised third-party payment provider such as Stripe.

The payment provider handles card and payment information through its own systems. Burton Pride C.I.C. does not normally receive or store full debit or credit card numbers.

Burton Pride C.I.C. receives the payment information necessary to:

- identify the transaction;
- confirm payment;
- associate payment with an order;
- issue tickets;
- administer refunds where appropriate;
- manage disputes; and
- maintain financial and audit records.

Burton Pride C.I.C. will never ask you to send full card details, passwords or security codes by email, social media message or another insecure communication method.

14. Ticket Confirmation

Once a valid payment has been confirmed, Burton Pride C.I.C. will record the entry and issue the appropriate ticket or ticket numbers.

Online entrants may receive their ticket information electronically. Entrants should keep their confirmation email or other ticket record until the lottery has been completed and any prizes have been claimed.

Where legally required, electronic ticket information will include the information required for the participant to retain or print their ticket information.

15. Ticket Numbers

Every ticket issued through the Burton Pride online Lottery System may receive a unique ticket number.

A ticket number is associated with a particular lottery and cannot be transferred to another lottery. Where multiple tickets are purchased, each ticket may receive its own individual number.

Burton Pride C.I.C. will take reasonable technical and administrative steps to prevent:

- duplicate ticket numbers;
- tickets being issued without confirmed payment;
- invalid tickets entering a draw;
- refunded or cancelled tickets being treated as valid; and
- unauthorised changes to ticket records.

16. Valid Entries

Only valid entries will be included in a lottery draw. An entry may be invalid where:

- payment was not completed;
- payment was reversed or cancelled;
- the entrant was not eligible;
- false information was supplied;
- the ticket was issued because of a technical error;
- the ticket was cancelled or refunded;
- the entrant breached these terms;
- fraud or misuse is reasonably suspected; or
- entry would otherwise breach applicable law.

Burton Pride C.I.C. will take reasonable steps to resolve genuine administrative or technical errors fairly.

17. Ticket Limits

Burton Pride C.I.C. may place limits on:

- the number of tickets available;
- the number of tickets one person can purchase;
- the number of tickets in a single transaction;
- total lottery proceeds; or
- other limits required by law or the Individual Lottery Terms.

Where a lottery reaches its maximum permitted number of tickets or proceeds, ticket sales may close before the advertised closing date.

18. Lottery Opening and Closing

Every lottery will have its own opening and closing arrangements. These will be shown on its individual page or in its Individual Lottery Terms.

Once ticket sales have closed, new entries will no longer be accepted.

Burton Pride C.I.C. may close sales early where:

- all available tickets have been sold;
- a regulatory limit has been reached;
- a security problem is identified;
- a payment or technical problem affects the integrity of the lottery;
- circumstances outside Burton Pride C.I.C.'s reasonable control require it; or
- continuing the lottery would not be lawful or appropriate.

19. The Draw

The draw date and proposed draw method will be included in the Individual Lottery Terms.

Depending on the lottery, a draw may take place using:

- physical ticket selection;
- an approved electronic random selection process; or
- another fair method identified before the draw.

Burton Pride C.I.C. will take reasonable steps to ensure every valid ticket included in the draw has an equal opportunity of selection where required by the lottery format.

Invalid, refunded, cancelled or otherwise ineligible tickets will not be included.

20. Electronic Draws

Where an electronic draw is used, the Burton Pride Lottery System may create a fixed list or snapshot of eligible tickets after ticket sales have closed.

The winner or winners will then be selected using a secure random selection process. Draw information will be recorded by the Burton Pride Lottery System for audit and verification purposes.

A completed draw must not be repeatedly rerun simply to obtain a different winner. If a redraw becomes genuinely necessary, the reason for that redraw must be recorded and the original draw history retained.

21. Draw Changes

Burton Pride C.I.C. may make reasonable changes to a draw where necessary because of circumstances outside its reasonable control.

This could include:

- severe weather;
- venue closure;
- event cancellation;
- technical failure;
- safety concerns;
- payment-system problems;
- regulatory requirements;
- security concerns; or
- another significant unexpected event.

Where practical, important changes will be published through official Burton Pride channels or on the individual lottery page.

22. Prizes

The prizes available for each lottery will be shown on its individual lottery page or within its Individual Lottery Terms.

Prize information may include:

- description;
- value;
- quantity;
- donor or sponsor;
- restrictions;
- collection requirements; and
- any expiry date.

Unless otherwise stated, prizes cannot normally be exchanged for cash.

Where a non-cash prize becomes unavailable for reasons genuinely outside Burton Pride C.I.C.'s control, Burton Pride C.I.C. may provide a reasonable replacement where permitted.

23. Winners

Winning tickets will be determined according to the draw method stated for the individual lottery.

Burton Pride C.I.C. will contact winners using the contact information supplied when entering.

Burton Pride C.I.C. may ask the winner to confirm:

- identity;
- age;
- eligibility;
- contact information; and
- ownership of the winning entry

before releasing a prize.

24. Contacting Winners

Burton Pride C.I.C. will make reasonable efforts to contact winners.

Contact may be made by:

- email;
- telephone;
- another contact method provided by the entrant; or
- another reasonable method identified in the Individual Lottery Terms.

Entrants are responsible for providing accurate contact details. Burton Pride C.I.C. cannot guarantee that it will be able to contact someone who has supplied incorrect, incomplete or outdated information.

25. Unclaimed Prizes

The period for claiming a prize may be stated within the Individual Lottery Terms.

Where no separate period is stated, Burton Pride C.I.C. will make reasonable attempts to contact the winner before deciding what should happen to an unclaimed prize.

Any decision concerning an unclaimed prize will be made in accordance with applicable law and the rules governing that particular lottery. This may include holding the prize for a further period, selecting a replacement winner where permitted, or applying another lawful arrangement.

26. Winner Publicity and Privacy

Burton Pride C.I.C. may publish limited information about winners where appropriate.

This might include:

- first name;
- ticket number;
- prize won; or
- another limited identifier.

Burton Pride C.I.C. will not automatically publish unnecessary personal information.

Where consent is required for additional publicity, such as photographs or promotional interviews, Burton Pride C.I.C. will seek that consent separately.

27. Refunds

Lottery tickets will normally be non-refundable once a valid entry has been completed, except where Burton Pride C.I.C. decides or is required to provide a refund.

Refunds may be appropriate where:

- Burton Pride C.I.C. cancels a lottery;
- a duplicate payment is confirmed;
- a significant system error has occurred;
- payment was taken incorrectly;
- Burton Pride C.I.C. determines that a refund is appropriate; or
- a refund is required by law.

Changing your mind after purchasing a valid lottery ticket does not automatically create a right to a refund.

Any refund must be recorded against the relevant order and ticket records.

28. Cancelled Lotteries

Burton Pride C.I.C. may cancel a lottery where it becomes impossible, unlawful, unsafe or unreasonable to continue.

If a lottery is cancelled, Burton Pride C.I.C. will provide information about what will happen to valid purchased entries.

Where refunds are required or Burton Pride C.I.C. decides that refunds should be issued, they will normally be returned using the original payment method where possible.

29. Fraud, Abuse and Misuse

Burton Pride C.I.C. may investigate activity where there are reasonable grounds to suspect:

- fraud;
- payment abuse;
- false identity information;
- ticket manipulation;
- multiple fraudulent accounts;
- exploitation of a website vulnerability;
- unauthorised system access;
- interference with a draw;
- attempted prize fraud; or
- another action affecting lottery integrity.

An entry may be suspended or invalidated where necessary to protect the lottery while an issue is investigated.

Serious incidents may be reported to the relevant payment provider, regulator, licensing authority or law-enforcement organisation where appropriate.

30. Website and Technical Problems

Burton Pride C.I.C. will take reasonable steps to keep its Lottery System available and secure. However, uninterrupted availability cannot be guaranteed.

Burton Pride C.I.C. cannot accept responsibility for problems genuinely outside its reasonable control, including:

- internet outages;
- third-party payment-system failures;
- email-provider problems;
- device problems;
- telecommunications failures; or
- other external technical failures.

Where a technical problem affects payments, tickets or the fairness of a lottery, Burton Pride C.I.C. will investigate and take reasonable steps to correct the records before continuing the lottery or draw.

31. System Records

Burton Pride C.I.C.'s Lottery System may maintain records relating to:

- lotteries;
- orders;
- payments;

- tickets;
- entries;
- prizes;
- draws;
- winners;
- refunds;
- communications;
- compliance checks; and
- administrative actions.

These records are maintained to operate the lottery, protect its integrity, meet accounting requirements and comply with applicable legal or regulatory obligations.

32. Audit Records

Important administrative actions within the Lottery System may be recorded in an audit log.

This may include:

- creation or amendment of a lottery;
- changes to ticket sales;
- publication;
- closure of sales;
- refunds;
- ticket cancellation;
- creation of a draw;
- winner selection;
- prize fulfilment;
- exports; and
- changes to lottery terms.

Audit records help Burton Pride C.I.C. demonstrate that lotteries have been operated fairly and responsibly.

33. Data Protection and Privacy

Burton Pride C.I.C. is committed to protecting personal information.

Information collected may include:

- name;
- email address;
- telephone number;
- ticket information;
- order information;
- payment confirmation information;
- eligibility information;
- winner information;
- communication history; and
- other information reasonably required to administer the lottery.

Personal data will only be collected and used where Burton Pride C.I.C. has an appropriate lawful basis.

34. How Personal Information Is Used

Information may be used to:

- process an entry;
- confirm payment;
- issue tickets;
- administer a lottery;
- carry out the draw;
- identify and contact winners;
- deliver prizes;
- investigate fraud or technical problems;
- process refunds;
- answer enquiries;
- maintain financial and audit records; and
- comply with legal and regulatory requirements.

Lottery participation information will not automatically be treated as permission to send marketing communications. Marketing consent, where offered, will be handled separately.

35. Data Retention

Personal information will not be kept longer than reasonably necessary.

Different types of records may need to be retained for different periods because of:

- lottery regulation;
- licensing requirements;
- accounting requirements;
- tax requirements;
- fraud prevention;
- legal obligations;
- disputes; or
- legitimate audit requirements.

Burton Pride C.I.C. may therefore retain certain lottery records after an individual lottery has ended. The retention period will be determined according to the type of record and applicable requirements.

36. Your Data Rights

Under UK data protection law, individuals may have rights relating to their personal information.

Depending on the circumstances, these may include the right to:

- request access to personal information;
- request correction of inaccurate information;
- request deletion in certain circumstances;
- object to certain processing;
- restrict certain processing; and
- request further information about how personal data is used.

Some information may need to be retained despite a deletion request where Burton Pride C.I.C. has a legal or regulatory reason for retaining it.

For data protection enquiries, contact: Info@burtonpride.co.uk

37. Responsible Participation

Burton Pride C.I.C. wants its lotteries to be a positive way for supporters to contribute to community fundraising.

Lottery participation should be treated as entertainment and fundraising, not as a way of making money.

Only spend what you are comfortable spending. Purchasing more tickets does not guarantee that you will win.

Where appropriate, Burton Pride C.I.C. may provide links to information about safer gambling and support services.

38. Changes to an Individual Lottery

Burton Pride C.I.C. may make reasonable changes to an individual lottery where necessary.

Changes could relate to:

- timing;
- draw arrangements;
- prize arrangements;
- technical administration;
- venue information;
- security;
- legal or regulatory requirements; or
- circumstances genuinely outside Burton Pride C.I.C.'s control.

Burton Pride C.I.C. will not deliberately make retrospective changes intended to unfairly disadvantage entrants. Material changes will be communicated where reasonably possible.

39. Changes to These General Terms

Burton Pride C.I.C. may update these General Lottery Terms & Conditions from time to time.

The current version will be published on the official Burton Pride website.

Where appropriate, the version accepted when an entrant purchases a ticket may also be stored within the Lottery System so there is a record of which terms applied to that entry.

Updating these general terms will not automatically replace the Individual Lottery Terms that applied to an already completed lottery.

40. Limitation of Responsibility

Burton Pride C.I.C. will take reasonable steps to operate lotteries accurately, securely and fairly.

Nothing in these Terms is intended to exclude or limit liability where doing so would be unlawful.

Subject to applicable law, Burton Pride C.I.C. cannot be responsible for loss resulting solely from circumstances outside its reasonable control. This may include third-party outages, telecommunications failures or incorrect information supplied by an entrant.

41. Complaints and Disputes

If you believe there has been a problem with:

- your entry;

- a ticket;
- payment;
- a refund;
- a draw;
- a prize;
- eligibility;
- use of your information; or
- another aspect of a Burton Pride lottery,

please contact Burton Pride C.I.C. as soon as possible.

Burton Pride C.I.C. will review complaints fairly and may review payment records, ticket records, audit information and other relevant evidence when investigating a complaint.

Where a matter falls within the responsibilities of a licensing or regulatory authority, Burton Pride C.I.C. will cooperate with that authority where required.

42. Agreement to These Terms

By completing a lottery ticket purchase or otherwise submitting a valid entry, you confirm that:

- you have read these General Lottery Terms & Conditions;
- you have read the Individual Lottery Terms;
- you satisfy the eligibility requirements and are aged 18 or over;
- the information you have provided is accurate;
- you understand that winning is not guaranteed; and
- you agree to comply with the applicable rules.

If you do not agree with these Terms or the Individual Lottery Terms, you should not purchase a ticket.

43. Contact Burton Pride C.I.C.

Please include the name of the lottery and, where appropriate, your order or ticket reference so that Burton Pride C.I.C. can investigate your enquiry.

44. Official Terms Notice

These are the official General Lottery Terms & Conditions issued by Burton Pride C.I.C.

Each lottery may also have official Individual Lottery Terms issued through the Burton Pride Lottery System.

The official website version, together with the recorded version applying to each lottery, should be treated as the authoritative Burton Pride version.

Copies or altered versions published by third parties are not official Burton Pride C.I.C. terms.

Burton Pride C.I.C. reserves the right to update these general terms when necessary.
